

americanfidelity.com® provides solutions for your industry. Use the links below to learn more.

## FOR EMPLOYERS

### STRATEGY

[americanfidelity.com/strategy](https://americanfidelity.com/strategy)

From our communication and education strategy to enrollment and tax savings, visitors can learn how we partner with schools to create long-term benefits strategies, provide HR assistance, and help them stay compliant.

### PRODUCTS

[americanfidelity.com/products](https://americanfidelity.com/products)

Visitors can learn about all of American Fidelity's product offerings including: supplemental insurance, DVRs, HR technology, reimbursement accounts, retirement savings, Section 125 Plan administration, and stop loss insurance.

### WHY US

[americanfidelity.com/why-us](https://americanfidelity.com/why-us)

Many of our competitors only offer one-size-fits-all benefit packages and services. In this section, visitors can find information about how American Fidelity offers a different opinion.

### EMPLOYER BLOG

[americanfidelity.com/blog](https://americanfidelity.com/blog)

From compliance tips to making the most of benefit strategies, American Fidelity's blog provides visitors with important information related to their specific HR and benefits needs.

## FOR EMPLOYEES

### SUPPORT

[americanfidelity.com/support](https://americanfidelity.com/support)

Policyholders and reimbursement account participants can view account management tutorials, locate contact information, and find additional resources for managing their account.

### CLAIMS

[americanfidelity.com/claims](https://americanfidelity.com/claims)

The claims section of the website provides policyholders and reimbursement account participants with instructional information for claim filing.

## HOW TO SHARE LINKS

To copy and paste the links within this PDF into other documentation, follow these instructions:

- 1) **Highlight** the full link you wish to share with your cursor.
- 2) Press the **"Ctrl-C" keys\*** simultaneously to copy the highlighted text.
- 3) Place your cursor within the **document/email** you wish to paste the link.
- 4) Press the **"Ctrl-V" keys\*** simultaneously to paste the copied text.

**Note:** You can also drag the cursor over the text to copy and then right-click on the highlighted text to display the context menu. Click the **"Copy"** option. Right-click inside the new **document/email** and click the **"Paste"** option to copy the text to the new location.

**\*For macs:** Use **"Command-C"** for copy and **"Command-V"** for paste.
