Dental Benefits
Savings, flexibility and service. For healthier smiles.

A healthy smile could mean better health — that's why I need a good dental plan.
Regular visits to the dentist may do more than just brighten your smile — they can be important to your overall health. Today, the Academy of General Dentistry tells us that more than 90% of all diseases produce oral signs and symptoms. Dentists can play an important role in screening for conditions such as cancer, diabetes, leukemia, heart disease and kidney disease.¹

MetLife’s dental benefits plan can help you get the protection you need while making it easier and more affordable to see your dentist regularly. You’ll enjoy:

• Freedom of choice to go to any dentist.
• Additional savings² when you visit an in-network dentist.
• Service where and when you want it.
• Educational tools and resources to help you and your dentist make better choices.

Now that’s something to smile about. Make the most of your dental benefits — Enroll today!

² Savings from enrolling in a dental benefits plan will depend on various factors, including the cost of the plan, how often members visit the dentist and the cost of services rendered.
Understanding Your Dental Plan

The Preferred Dentist Program was designed to help you get the dental care you need and help lower your costs. You get benefits for a wide range of covered services — both in and out of the network.

The goal is to deliver affordable protection for a healthier smile and a healthier you. You also get great service and educational support to help you stay on top of your care.

**Freedom of choice to go to any dentist.**

You have the flexibility to visit any dentist — your dentist — and receive coverage under the plan. Just remember that non-participating dentists haven’t agreed to charge negotiated fees. That means you usually save more dental dollars when you go to a participating dentist.

If you prefer to stay in the network, there are thousands of general dentists and specialists to choose from nationwide — so you are sure to find one who meets your needs. Plus, all participating dentists go through a rigorous selection and review process.¹ This way you don’t need to worry about quality. You also don’t need any referrals.

To check out the general dentists and specialists in the **PDP Plus network**, visit www.metlife.com/dental.

**Additional savings when you visit participating dentists.**

Your out-of-pocket costs are usually lower when you visit network dentists. That’s because they have agreed to accept negotiated fees that are typically 15 to 45% less than average dental charges in the same community. This may help lower your final costs and stretch your plan maximum. Negotiated fees may even extend to non-covered services and services provided after you’ve reached the plan maximum.²

**Service where and when you want it.**

MyBenefits, your secure self-service website, is available 24/7.³ You can use the site to get estimates on care or check coverage and claim status. Plus, if you are on the go and need to find an in-network provider, view a claim or see your ID card, there’s an app for that.⁴ Search “MetLife” at iTunes App Store or Google Play to download the app.⁵

**Educational tools and resources.**

The right dental care is an essential part of good overall health. That’s why you and your dentist get resources to help make informed decisions about your oral health. You’ll find a range of topics on our online dental education website, www.oralhealthlibrary.com. Read up on the link between dental and overall health, kid’s dental health and more. You can also put your oral health to the test by taking an online risk assessment

**IMPORTANT INFORMATION**

Your Network: PDP Plus  
Customer Service Number: 1-800-942-0854  
Claims Address: MetLife Dental Claims P.O. box 981282 El Paso, TX 79998-1282
The information below explains certain terms to make it easier for you to understand and use your benefits.

1. **Coverage Types.** Dental procedures are grouped into the following categories: Preventive (Type A), Basic Restorative (Type B), Major Restorative (Type C), and Orthodontia (Type D). Your group’s plan determines how each procedure is categorized (Type A, B, C, D). Generally, benefits for Type A procedures pay at the highest benefits level because they prevent and diagnose dental disease.

2. **Co-insurance.** The co-insurance percentage helps determine what your out-of-pocket costs will be for each coverage type. Each Type – A, B, C, and D – has a pre-set percentage that represents what your plan will reimburse for the services in each category. Your total out-of-pocket responsibility is subject to any deductibles, benefit maximums, plan provisions, if you receive out-of-network services, and your plan’s basis for reimbursement. Please see your Dental Plan Benefits Summary for more information.

3. **Deductible.** This is the amount you must pay out-of-pocket before benefit payments will be made by the plan. For most plans, the deductible amounts for in-network services are less than the amount for out-of-network services. Many plans do not require that a deductible be met for Type A services.

4. **Annual Maximum Benefit.** This is the total amount the plan will pay in the plan year. Once this amount is reached, no further benefits will be paid. However, you are still eligible to receive services at the negotiated fees when visiting a participating dentist.

5. **Orthodontia Lifetime Maximum.** Not all plans cover Orthodontia Treatment. If your plan covers Orthodontia there is a Lifetime Maximum that is applicable only to Orthodontia. This does not affect your Annual Maximum Benefit for Types A, B and C coverages. The Lifetime Maximum is the total amount the plan will pay for orthodontic services for each covered person (subject to any plan age limitations). Once this amount is reached, no further benefits will be paid. However, you are still eligible to receive services at the negotiated fee amounts when visiting a participating dentist.
Putting it all together – maximizing the value of your dental benefits.

- Make the most of your benefits — visit a participating dentist to reduce your out-of-pocket costs.
- Keep a healthy dental regimen by getting routine exams and cleanings – the cost of preventive services (Type A) is usually less than the cost for fillings, root canals, extractions, etc. – and can help to prevent the need for these higher-cost treatments.
- Use the Dental Procedure Fee Tool to look up the average charges for in-network and out-of-network services such as exams, cleanings, fillings, crowns, and more. This tool is accessible via the MyBenefits website.6
- It is recommended that you request a pre-treatment estimate for services that cost more than $300. The estimate will give you an idea of what your out-of-pocket costs will be. To receive a benefit estimate, have your dentist submit a request online at www.metdental.com or by calling 1-877-MET-DDS9 (phone number and website for dental professionals only).
- Visit the dental education website at www.oralhealthlibrary.com for important tools and resources to help you become more informed about dental care.

Remember, dental coverage can be an important part of protecting your health and finances. By using the educational tools and benefits made available to you through this plan, you’ll be better prepared to protect your oral health and your budget.

1. Certain providers may participate with MetLife through an agreement that MetLife has with a vendor. Providers available through a vendor are subject to the vendor’s credentialing process and requirements, not MetLife’s. If you should have any questions, contact MetLife Customer Service.

2. Savings from enrolling in a dental benefits plan will depend on various factors, including the cost of the plan, how often participants visit the dentist and the cost of services rendered. Negotiated fees on non-covered services may not apply in all states.

3. With the exception of scheduled or unscheduled systems maintenance or interruptions, the MyBenefits website is typically available 24 hours a day, 7 days a week.

4. The features of the MetLife Dental Mobile App are not available for all MetLife Dental Plans.

5. Before using the MetLife Dental Mobile App, you must register at www.metlife.com/mybenefits from a computer. Registration cannot be done from your mobile device.

6. The Dental Procedure Fee Tool application is provided by go2dental.com, Inc., an independent vendor. Network fee information is supplied to go2dental.com by MetLife and is not available for providers who participate with MetLife through a vendor. Out-of-network fee information is provided by go2dental.com. This tool does not provide the payment information used by MetLife when processing your claims. Prior to receiving services, pretreatment estimates through your dentist will provide the most accurate fee and payment information.

Like most group benefits programs, benefit programs offered by MetLife and its affiliates contain certain exclusions, exceptions, reductions, limitations, waiting periods and terms for keeping them in force. Please contact MetLife or your plan administrator for costs and complete details.

*Negotiated Fee refers to the fees that participating dentists have agreed to accept as payment in full, subject to any copayments, deductibles, cost sharing and benefits maximums. Negotiated Fee fees are subject to change.

**R&C Fee refers to the Reasonable and Customary (R&C) charge, which is based on the lowest of (1) the dentist’s actual charge, (2) the dentist’s usual charge for the same or similar services, or (3) the charge of most dentists in the same geographic area for the same or similar services as determined by MetLife.

† Applies only to Type B & C Services.

*Savings from enrolling in the MetLife Preferred Dentist Program will depend on various factors, including how often participants visit the dentist and the cost for services rendered.

**Please note: This is a hypothetical example that reviews a porcelain/ceramic crown (D2740) in the Philadelphia area, zip 19151. It assumes that the annual deductible has been met.

***Reasonable and Customary (R&C) charge is based on the lowest of (1) the dentist's actual charge, or (2) the charge of most dentists in the same geographic area for the same or similar services as determined by MetLife. The example shown reflects an 80th percentile R&C fee. The R&C percentile used to calculate out-of-network benefits for your plan may differ.

Common Questions... Important Answers

Who is a participating dentist? A participating dentist is a general dentist or specialist who has agreed to accept negotiated fees as payment in full for services provided to plan members. Negotiated fees typically range from 15-45% below the average fees charged in a dentist’s community for the same or substantially similar services.*

* Based on internal analysis by MetLife. Savings from enrolling in a dental benefits plan will depend on various factors, including how often members visit participating dentists and the cost for services rendered. Negotiated fees are subject to change. Negotiated fees for non-covered services may not apply in all states.

How do I find a participating dentist? There are thousands of general dentists and specialists to choose from nationwide — so you are sure to find one who meets your needs. You can receive a list of these participating dentists online at www.metlife.com/dental or call 1-800-GET-MET8 to have a list faxed or mailed to you.

What services are covered by my plan? All services defined under your group dental benefits plan are covered. Please review the enclosed plan benefits to learn more.

Does the Preferred Dentist Program offer any discounts on non-covered services? Negotiated fees may extend to services not covered under your plan and services received after your plan maximum has been met, where permitted by applicable state law. If permitted, you may only be responsible for the negotiated fee.

* Negotiated fees are subject to change. Negotiated fees for non-covered services may not apply in all states.

May I choose a non-participating dentist? Yes. You are always free to select the dentist of your choice. However, if you choose a non-participating dentist, your out-of-pocket costs may be higher. He or she hasn’t agreed to accept negotiated fees. So you may be responsible for any difference in cost between the dentist's fee and your plan’s benefit payment.

Can my dentist apply for participation in the network? Yes. If your current dentist does not participate in the network and you would like to encourage him or her to apply, ask your dentist to visit www.metdental.com, or call 1-866-PDP-NTWK for an application.* The website and phone number are for use by dental professionals only.

* Due to contractual requirements, MetLife is prevented from soliciting certain providers.

How are claims processed? Dentists may submit your claims for you which means you have little or no paperwork. You can track your claims online and even receive e-mail alerts when a claim has been processed. If you need a claim form, visit www.metlife.com/dental or request one by calling 1-800-GET-MET8.

Can I find out what my out-of-pocket expenses will be before receiving a service? Yes. You can ask for a pretreatment estimate. Your general dentist or specialist usually sends MetLife a plan for your care and requests an estimate of benefits. The estimate helps you prepare for the cost of dental services. We recommend that you request a pretreatment estimate for services in excess of $300. Simply have your dentist submit a request online at www.metdental.com or call 1-877-MET-DDS9. You and your dentist will receive a benefit estimate for most procedures while you are still in the office. Actual payments may vary depending upon plan maximums, deductibles, frequency limits and other conditions at time of payment.

Can MetLife help me find a dentist outside of the U.S. if I am traveling? Yes. Through international dental travel assistance services you can obtain a referral to a local dentist by calling +1-312-356-5970 (collect) when outside the U.S. to receive immediate care until you can see your dentist. Coverage will be considered under your out-of-network benefits.** Please remember to hold on to all receipts to submit a dental claim.

*International Dental Travel Assistance services are administered by AXA Assistance USA, Inc. AXA Assistance is not affiliated with MetLife and any of its affiliates, and the services they provide are separate and apart from the benefits provided by MetLife.
** Refer to your dental benefits plan summary for your out-of-network dental coverage.

How does MetLife coordinate benefits with other insurance plans? Coordination of benefits provision in dental benefits plans are a set of rules that are followed when a patient is covered by more than one dental benefits plan. These rules determine the order in which the plans will pay benefits. If the MetLife dental benefit plan is primary, MetLife will pay the full amount of benefits that would normally be available under the plan. If the MetLife dental benefit plan is secondary, most coordination of benefits provisions require MetLife to determine benefits after benefits have been determined under the primary plan. The amount of benefits payable by MetLife may be reduced due to the benefits paid under the primary plan.
Exclusions
This plan does not cover the following services, treatments and supplies:

- Services which are not Dentally Necessary, those which do not meet generally accepted standards of care for treating the particular dental condition, or which we deem experimental in nature;
- Services for which you would not be required to pay in the absence of Dental Insurance;
- Services or supplies received by you or your Dependent before the Dental Insurance starts for that person;
- Services which are primarily cosmetic;
- Services which are neither performed nor prescribed by a Dentist except for those services of a licensed dental hygienist which are supervised and billed by a Dentist and which are for:
  - Scaling and polishing of teeth; or
  - Fluoride treatments;
- Services or appliances which restore or alter occlusion or vertical dimension;
- Restoration of tooth structure damaged by attrition, abrasion or erosion;
- Restorations or appliances used for the purpose of periodontal splinting;
- Counseling or instruction about oral hygiene, plaque control, nutrition and tobacco;
- Personal supplies or devices including, but not limited to: water picks, toothbrushes, or dental floss;
- Decoration, personalization or inscription of any tooth, device, appliance, crown or other dental work;
- Missed appointments;
- Services:
  - Covered under any workers’ compensation or occupational disease law;
  - Covered under any employer liability law;
  - For which the employer of the person receiving such services is not required to pay; or
  - Received at a facility maintained by the Employer, labor union, mutual benefit association, or VA hospital;
- Services covered under other coverage provided by the Employer;
- Temporary or provisional restorations;
- Temporary or provisional appliances;
- Prescription drugs;
- Services for which the submitted documentation indicates a poor prognosis;
- The following when charged by the Dentist on a separate basis:
  - Claim form completion;
  - Infection control such as gloves, masks, and sterilization of supplies; or
  - Local anesthesia, non-intravenous conscious sedation or analgesia such as nitrous oxide.
- Dental services arising out of accidental injury to the teeth and supporting structures, except for injuries to the teeth due to chewing or biting of food;
- Caries susceptibility tests;
- Initial installation of a fixed and permanent Denture or Implant to replace one or more natural teeth which were missing before such person was insured for Dental Insurance, except for congenitally missing natural teeth;
- Precision attachments, except when the precision attachment is related to implant prosthetics;
- Initial installation of a full or removable Denture to replace one or more natural teeth which were missing before such person was insured for Dental Insurance, except for congenitally missing natural teeth;
- Addition of teeth to a partial removable Denture to replace one or more natural teeth which were missing before such person was insured for Dental Insurance, except for congenitally missing natural teeth;
- Adjustment of a Denture made within 6 months after installation by the same Dentist who installed it;
- Implants including, but not limited to any related surgery, placement, restorations, maintenance, and removal;
- Repair of implants;
- Fixed and removable appliances for correction of harmful habits;
- Appliances or treatment for bruxism (grinding teeth), including but not limited to occlusal guards and night guards;
- Diagnosis and treatment of temporomandibular joint (TMJ) disorders.
- Duplicate prosthetic devices or appliances;
- Replacement of a lost or stolen appliance, Cast Restoration, or Denture; and
- Intra and extraoral photographic images.
Alternate Benefits: Your dental plan provides that where two or more professionally acceptable dental treatments for a dental condition exist, your plan bases reimbursement, and the associated procedure charge, on the least costly treatment alternative. If you and your dentist have agreed on a treatment which is more costly than the treatment upon which the plan benefit is based, your actual out-of-pocket expense will be: the procedure charge for the treatment upon which the plan benefit is based, plus the full difference in cost between the Negotiated Fee or, for out-of-network care, the actual charge, for the service rendered and the Negotiated Fee or R&C fee (if out-of-network care) for the service upon which the plan benefit is based. To avoid any misunderstandings, we suggest you discuss treatment options with your dentist before services are rendered, and obtain a pre-treatment estimate of benefits prior to receiving certain high cost services such as crowns, bridges or dentures. You and your dentist will each receive an Explanation of Benefits (EOB) outlining the services provided, your plans reimbursement for those services, and your out-of-pocket expense. Procedure charge schedules are subject to change each plan year. You can obtain an updated procedure charge schedule for your area via fax by calling 1-800-942-0854 and using the MetLife Dental Automated Information Service.

Cancellation/Termination of Benefits: Coverage is provided under a group insurance policy (Policy form GPNP99) issued by MetLife. Coverage terminates when your membership ceases, when your dental contributions cease or upon termination of the group policy by the Policyholder or MetLife. The group policy terminates for non-payment of premium and may terminate if participation requirements are not met or if the Policyholder fails to perform any obligations under the policy. The following services that are in progress while coverage is in effect will be paid after the coverage ends, if the applicable installment or the treatment is finished within 31 days after individual termination of coverage: Completion of a prosthetic device, crown or root canal therapy.

Like most group benefit programs, benefit programs offered by MetLife and its affiliates contain certain exclusions, exceptions, reductions, limitations, waiting periods and terms for keeping them in force. Please contact MetLife or your plan administrator for costs and complete details.

Tips for easy dental claim filing.
Filing a dental claim is simple — just follow these tips:
• Bring a claim form with you to your appointment.
• You can get additional claim forms three easy ways:
  - Download them from the MyBenefits site.
  - Call the automated voice response at 1-800-942-0854 to have a form sent to you.
  - Contact your Human Resources Representative.

Also, speak with your dentist about reimbursement arrangements before your appointment. Although most dentists will accept the claim reimbursement directly from MetLife, some may prefer to receive payment in-full before you leave your appointment. Since each dentist sets his or her own policy, you should discuss these arrangements before you receive any services.

International Dental Travel Assistance
This dental benefits plan includes international dental travel services which offer you and your covered dependents’ referrals for immediate dental care while traveling internationally.³ These services are available 24/7 and give you access to international dental providers in more than 200 countries. With just
We’re Here to Help

one phone call, you will reach a multilingual assistance coordinator who will help you get the care you need. Coverage will be considered under your out-of-network benefits. 4 Be sure to hold on to all receipts to submit a dental claim. Claim forms are available online at www.metlife.com/mybenefits.

Help on the Go!
If you’re on the go and need to find an in-network provider, view a claim or see your ID card, there’s an app for that.

With the MetLife Dental Mobile App5, you can:

✓ Find a dentist.
✓ View your claims.
✓ View your ID card.

It’s easy. Search “MetLife” at iTunes App Store or Google Play to download the app. Then use your MyBenefits log in information to access these features.6

It’s available 24 hours a day, seven days a week.

1. The Dental Procedure Fee Tool application is provided by go2dental.com. Inc., an independent vendor. Network fee information is supplied to go2dental.com by MetLife and is not available for providers who participate with MetLife through a vendor. Out-of-network fee information is provided by go2dental.com. This tool does not provide the payment information used by MetLife when processing your claims. Prior to receiving services, pretreatment estimates through your dentist will provide the most accurate fee and payment information.

2. Due to contractual requirements, MetLife is prevented from soliciting certain providers.

3. Travel assistance services are administered by AXA Assistance USA, Inc. AXA Assistance is not affiliated with MetLife, and the services they provide are separate and apart from the benefits provided by MetLife. Referral services are not available in all locations.

4. Refer to your dental benefits plan summary for your out-of-network dental coverage.

5. The features of the MetLife Dental Mobile App are not available for all MetLife Dental Plans.

Like most group benefit programs, benefit programs offered by MetLife and its affiliates contain certain exclusions, exceptions, reductions, limitations, waiting periods, and terms for keeping them in force. Please contact MetLife or your plan administrator for costs and complete details.

Our Privacy Notice

We know that you buy our products and services because you trust us. This notice explains how we protect your privacy and treat your personal information. It applies to current and former customers. "Personal information" as used here means anything we know about you personally.

Plan Sponsors and Group Insurance Contract Holders

This privacy notice is for individuals who apply for or obtain our products and services under an employee benefit plan, or group insurance or annuity contract. In this notice, "you" refers to these individuals.

Protecting Your Information

We take important steps to protect your personal information. We treat it as confidential. We tell our employees to take care in handling it. We limit access to those who need it to perform their jobs. Our outside service providers must also protect it, and use it only to meet our business needs. We also take steps to protect our systems from unauthorized access. We comply with all laws that apply to us.

Collecting Your Information

We typically collect your name, address, age, and other relevant information. We may also collect information about any business you have with us, our affiliates, or other companies. Our affiliates include life, car, and home insurers. They also include a bank, a legal plans company, and securities broker-dealers. In the future, we may also have affiliates in other businesses.

How We Get Your Information

We get your personal information mostly from you. We may also use outside sources to help ensure our records are correct and complete. These sources may include consumer reporting agencies, employers, other financial institutions, adult relatives, and others. These sources may give us reports or share what they know with others. We don’t control the accuracy of information outside sources give us. If you want to make any changes to information we receive from others about you, you must contact those sources.

We may ask for medical information. The Authorization that you sign when you request insurance permits these sources to tell us about you. We may also, at our expense:

- Ask for a medical exam
- Ask for blood and urine tests
- Ask health care providers to give us health data, including information about alcohol or drug abuse

We may also ask a consumer reporting agency for a "consumer report" about you (or anyone else to be insured). Consumer reports may tell us about a lot of things, including information about:

- Reputation
- Work and work history
- Driving record
- Hobbies and dangerous activities
- Finances

The information may be kept by the consumer reporting agency and later given to others as permitted by law. The agency will give you a copy of the report it provides to us, if you ask the agency and can provide adequate identification. If you write to us and we have asked for a consumer report about you, we will tell you so and give you the name, address and phone number of the consumer reporting agency.

Another source of information is MIB Group, Inc. ("MIB"). It is a non-profit association of life insurance companies. We and our reinsurers may give MIB health or other information about you. If you apply for life or health coverage from another member of MIB, or claim benefits from another member company, MIB will give that company any information that it has about you. If you contact MIB, it will tell you what it knows about you. You have the right to ask MIB to correct its information about you. You may do so by writing to MIB, Inc., 50 Braintree Hill, Suite 400, Braintree, MA 02184-8734, by calling MIB at (866) 692-6901 (TTY (866) 346-3642 for the hearing impaired), or by contacting MIB at www.mib.com.

Using Your Information

We collect your personal information to help us decide if you’re eligible for our products or services. We may also need it to verify identities to help deter fraud, money laundering, or other crimes. How we use this information depends on...
what products and services you have or want from us. It also depends on what laws apply to those products and services. For example, we may also use your information to:

- administer your products and services
- perform business research
- market new products to you
- comply with applicable laws
- process claims and other transactions
- confirm or correct your information
- help us run our business

**Sharing Your Information With Others**

We may share your personal information with others with your consent, by agreement, or as permitted or required by law. For example, we may share your information with businesses hired to carry out services for us. We may also share it with our affiliated or unaffiliated business partners through joint marketing agreements. In those situations, we share your information to jointly offer you products and services or have others offer you products and services we endorse or sponsor. Before sharing your information with any affiliate or joint marketing partner for their own marketing purposes, however, we will first notify you and give you an opportunity to opt out.

Other reasons we may share your information include:

- doing what a court, law enforcement, or government agency requires us to do (for example, complying with search warrants or subpoenas)
- telling another company what we know about you if we are selling or merging any part of our business
- giving information to a governmental agency so it can decide if you are eligible for public benefits
- giving your information to someone with a legal interest in your assets (for example, a creditor with a lien on your account)
- giving your information to your health care provider
- having a peer review organization evaluate your information, if you have health coverage with us
- those listed in our “Using Your Information” section above

**HIPAA**

We will not share your health information with any other company – even one of our affiliates – for their own marketing purposes. If you have dental, long-term care, or medical insurance from us, the Health Insurance Portability and Accountability Act (“HIPAA”) may further limit how we may use and share your information.

**Accessing and Correcting Your Information**

You may ask us for a copy of the personal information we have about you. Generally, we will provide it as long as it is reasonably retrievable and within our control. You must make your request in writing listing the account or policy numbers with the information you want to access. For legal reasons, we may not show you anything we learned as part of a claim or lawsuit, unless required by law.

If you tell us that what we know about you is incorrect, we will review it. If we agree, we will update our records. Otherwise, you may dispute our findings in writing, and we will include your statement whenever we give your disputed information to anyone outside MetLife.

**Questions**

We want you to understand how we protect your privacy. If you have any questions about this notice, please contact us. When you write, include your name, address, and policy or account number.

Send privacy questions to:
